There will NOT be any childcare, because we will all be learning together! We will use music, games, crafts, role playing, and all sorts of great ways to look at this important theme. There is a significant discount, as this is for families! Visit [www.powellhouse.org](http://www.powellhouse.org) for details.

**April 1, 2014** — Deadline for articles for the May *Spark*. The theme centers on Outreach and Advancement. If you plan to write an article, please let Steve Davison know. Contact Steve at [steven@nyym.org](mailto:steven@nyym.org).

We will be looking at the concerns surrounding the pull between jobs/responsibilities and wanting to live more fully and faithfully into a different life. How do we do that? How can we support each other? There will be time to get to know new Friends, see old Friends, and do spiritual work together. Hospitality can be arranged for Friends traveling from a distance. There is a \$15.00–\$20.00 suggested donation. Please contact Gabi Savory Bailey with questions [nyym.yafs@gmail.com](mailto:nyym.yafs@gmail.com) or call 973.819.6807.

## Notes & Announcements

### **NYYM Auditor Search**

New York Yearly Meeting Audit Committee is beginning the process of soliciting a new auditor, and will welcome any suggestions from your Meeting or Regional Meeting of Certified Public Accounting firms that you would like to receive our initial Request for Information (RFI).

Qualified firms will be selected from those responding to the RFI, which we expect to issue in March, and those qualified firms will then receive a Request for Proposal (RFP), expected to be issued by May of this year. An annually-renewable contract, with a 5-year term, beginning in 2015, is expected to be issued by Fall of this year. The audit will cover both the Operating and Trustee Accounts of NYYM. Qualified firms will need to be capable of having a representative spend 13 days each year at the Yearly Meeting Office to carry out detailed record reviews, in addition to auditing records in electronic form.

Please send responses to this notice by 2/28/14 to the Clerk of the Audit Committee, Timothy L. Johnson ([johnsontl@aol.com](mailto:johnsontl@aol.com)) with a copy to Laura Cisar ([landr100@gmail.com](mailto:landr100@gmail.com)). Information on each candidate auditor should include the name and address of the firm, telephone and email address, and if possible, a point of contact and website for the firm. If your meeting or regional meeting has had any prior positive experience with the firm, or if the firm has a Quaker connection, that information would also be of interest.

### **Go Deeper with ESR's New Certificate Programs**

Have you ever felt a call to explore your gift of writing as a ministry but were not interested in a degree? Have you ever wanted to dive into the rich history of Quaker faith and practice but couldn't make a move to Richmond, Indiana? Now both opportunities are available.

Beginning in the fall of 2014, you can take classes at ESR and earn a certificate in Ministry of Writing or Quaker Studies in as little as two years. In the fall of 2015 a certificate in Spirituality will also become available. Using our course schedule you can design your six-course certificate as a two-or-three year program and take advantage of our online, hybrid, two-week residential, and semester-long on-campus offerings to build a program around your interests and needs.

“A traditional degree program isn't the answer to everyone's educational needs,” says ESR dean, Jay Marshall. “We believe these certificate programs will address a growing need and provide focused learning opportunities in areas where ESR has particular expertise. Our ESR Access distance program and expanded technological capacity have prepared us to launch this exciting new seminary experience, which we trust will prove to be a valuable resource for persons interested in exploring these areas.”

Take the next step today. Visit the ESR website for more information, or contact Matt Hisrich, Director of Admissions, at [hisrima@earlham.edu](mailto:hisrima@earlham.edu) or call (800) 432-1377.

## **Volunteers needed for the NYYM website**

The Yearly Meeting is looking for volunteers who would be willing to help manage content on the NYYM website. This includes publishing each issue of *Spark* on the website (five times a year), the *Yearbook* (once a year), and other projects. You don't have to commit to regular service: just let us know as each project comes along whether you can help with that publication—every little bit will make a difference. You don't have to be a web geek to help, either, though a little knowledge of HTML and a little experience with Content Management Systems would be a real asset; but we can teach what you need to know, if you're interested. If you are interested, please contact Steven Davison, [steven@nyym.org](mailto:steven@nyym.org), Yearly Meeting communications director.
