Notes and Announcements

Worship Sharing Leaders Needed for Summer Sessions

Sunfire is again this year helping the Committee on Worship at Yearly Meeting by organizing the worship sharing at Silver Bay. This committee is looking for Friends willing to facilitate the worship sharing sessions that we have every morning. **Please consider whether you are led to be one of the facilitators.** We need them for both the general groups and special interest groups. If you are led to step into this role, either by facilitating a group alone or with a co-facilitator, please send an email to sunfirequaker@earthlink.net. Suggested guidelines and queries will be provided for the sessions.

Opening for Clerk (or Co-clerk) of NYYM Witness Coordinating Committee

Term begins July 29, 2018

Witness Coordinating Committee supports and oversees New York Yearly Meeting's witness to the world both financially and spiritually. The energy for the concerns of the various committees is strong, and there are resources to support them. The difficulty we have is finding a person(s) to serve as clerk(s), as the committee members' energies are very focused on the particular witness with which they are involved. For a full description of the position [click here](#); if interested or if you have questions, [email Mary Eagleson](#).

NYYM Peace Working Group Minute in Support of March for Our Lives

At Spring Sessions on Saturday, April 7, the NYYM Peace Working Group (PWG) came to unity on the following minute:

We call on monthly meetings in NYYM to reach out to students from the Parkland movement (i.e. local student organizers of the many Marches for Our Lives earlier this spring) and to offer our meetinghouse facilities for community meetings and other forms of anti-gun violence activism.

New Home for the Quaker Missions Stamp Project

In support of Right Sharing of World Resources, many Friends in NYYM have saved postage stamps for the Quaker Missions Stamp Project, founded by Brad Hathaway of Mattapoisett Friends Meeting in Massachusetts. Brad collected and sold stamps, the proceeds of which were sent to Quaker organizations including RSWR. Earl Walker of Claremont Friends Meeting in California took over the stamp ministry in 2009. Thanks to Earl's generosity with his time and resources Right Sharing has received over \$11,000 from recycled stamps! Now Indianapolis First Friends have taken up the project. For those who have been saving them, or would like to save them, Send in Your Stamps! Mail stamps to: Stamps for Right Sharing, c/o Indianapolis First Friends, 3030 Kessler Blvd East Dr, Indianapolis, IN 426220 If you have questions about the stamp project, please contact the Right Sharing office at (765) 966-0314 or rswr@rswr.org.
