

February 2020

Dear Friends,

I hope you are doing well. I'm busy putting the finishing touches on the March issue of *Spark*, titled **Friends Meet on Indigenous Lands** and guest-edited by the Indian Affairs Committee! This is an extended issue and includes sections about NYYM's next two gatherings: [Spring Sessions](#) and [Summer Sessions](#). Spring Sessions [registration](#) is open now and Summer's will open very soon. Stay tuned!

The theme for the May issue of *Spark* is **The Joys and Challenges of Quarterly and Regional Meetings**. Local meetings belong to a quarter or region with other meetings in their area. Have you been able to do things as a region that your meeting couldn't have done on its own? What are the joys of meeting as a region? What are the challenges? What would your ideal regional or quarterly meeting look like? How can your regional meeting be improved?

Please write your thoughts and send them along! Articles for *Spark* should be 400-600 words long, emailed to [communications@nyym.org](mailto:communications@nyym.org). The deadline for the May issue is April 1.

InfoShare, this email newsletter, is sent out in the middle of each month. The deadline for submissions is the 5th of that month. Please do send **news and events** to share with and inspire other Friends. Items will appear in InfoShare, subject to editorial approval, and may also appear on social media or in *Spark*. [Email](#) or use this [form](#) to submit items.
